

**Brainmax gold:**

**Special ingredients:**

**Casein, milk powder, Malt, Maltodextrin, soya protein isolate, wheat and legume. Fortified with Colostrum, Choline, DHA, Taurine, Selenium, L-Glutamic acid, Alpha Lipoic Acid, Acetyl carnitine, Co –enzyme 10, Chromium Picolinate, N- Acetyl cysteine, vitamins and minerals.**

**Brainmax Gold enriched with Piracetam, Gingko biloba, Brahmi, Grapeseed extract, and Methyl cobalamin.**

**Advantages of brainmax gold;**

- \* Piracetam is (2-oxo-pyrrolidone), a smart booster for central nervous system. Piracetam helps stimulate the corpus callosum and It increases communication between right and left hemispheres allowing brain to work more efficiently, and helps improve the overall functions of the brain.**
- \* piracetam also work by stimulating the glutamine receptors which Improves the alertness of the individual in the learning process and helps to retain and store memory in brain.**
- \* Colostrum contains several immune factors (such as immunoglobulin IgA, IgD, IgE, IgG, and IgM) and gives specific immunity (antibodies) to diseases caused by bacteria, viruses, yeasts and fungus.**
- \* Acetyl l-carnitine increases physical and mental energy with immediate effect because it crosses into the brain much better and quick.**

- ✳ **Enriched with choline, DHA, taurine, methyl cobalamin, L-Glutamic acid, Acetyl carnitine, Acetyl cysteine and all essential minerals and vitamins.**
- ✳ **Contains herbal supplements like ginkgo biloba, grape seed extract and brahmi which improves blood circulation in the brain helping in cognition and memory.**
- ✳ **CoQ10 is a naturally occurring nutrient, believed to have antioxidant properties and prevents neuronal cell death in parkinsonism and neuro-degenerative diseases.**
- ✳ **Brainmax gold provides required energy and nutrition for the proper development of the brain.**
- ✳ **contains powerful antioxidants like colostrum, grape seed extract and CoQ10 that fight dangerous free radicals in the brain and provides neuro protection against them.**
- ✳ **Enhances neurotransmission in the brain by increasing the number of receptors and synapsis of neurons thereby helping in neural plasticity.**
- ✳ **Has natural vitamins and herbal supplements and hence it has no side effects to the body.**
- ✳ **improve physical as well as mental condition, they help to eliminate tiredness and deal with the feelings of exhaustion more easily.**
- ✳ **Ginkgo biloba and brahmi enhance the brain's neurotransmitters.**
- ✳ **Brainmax gold is useful for Stroke and Stroke related depression, Memory and cognition Improvement, Alzheimer's Disease, Brain Injury and Trauma, Dyslexia , ADHD, Parkinson's Disease ,Vertigo,**

**Meniere's disease, epilepsy, Chronic headache/Migraine,  
Cerebral Palsy , Alcoholism and Alcohol withdrawal,  
Diabetic neuropathy and Neuro-degenerative disorders.**
