

Special ingredients:

Casein, milk powder, Malt, Maltodextrin, soya protein isolate, wheat and legume. Fortified with ferrous Ascorbate, Folic Acid, Calcium Citrate, lycopene, omega fatty acids, Selenium, N-Acetyl cysteine, Choline, DHA, Taurine, Selenium, L-Glutamic acid, Biotin, vitamins and minerals.

Compostion of Hb max gold:

Energy	420Kcal
Carbohydrates	60g
Protein	36gm
Fat	4gm
Fibre	6gm
Ferrous Ascorbate	300mg
Folic Acid	1500mcg
Calcium	1500mg
Choline	500mg
DHA	50mg
Lycopene	10mg
Omega -3 fatty acid	100mg
Methyl cobalamin	500mcg
Taurine	15mg
Selenium	100mcg
L-Glutamic Acid	10mg
N-Acetyl cysteine	30mg
Vit B1	4mg
Vit B2	2mg
Vit B6	5mg
VitB12	15mcg
Biotin	14mg
Lysine hydrate	30mg
Sodium selenate	1.2gm
Potassium	5mg

Chromium	3mg
Manganese	5mg
Zinc	15mg
Iodine	14mg

Advantages of Hb Max Gold:

- * Hb Max Gold provides best protein supplements with balanced aminoacids and minerals with adequate calories, helps in the weight gain of the individual.**
- * It contains Ferrous Ascorbate in higher concentration necessary for easy absorbtion and in the sythesis of Hemoglobin in new blood cell formation.**
