

Nutri max gold –D protein powder:

Special ingredients:

Casein, milk powder, Malt, Maltodextrin, soya protein isolate, wheat and legume. Fortified with Colostrum, Selenium, Alpha Lipoic Acid, Acetyl carnitine, Co –enzyme 10, Chromium Picolinate, N- Acetyl cysteine, vitamins and minerals.

Nutri Max Gold –D enriched with Gymnema slyvestre, Fenugreek, Aloe vera ,Grape Seed extract and Ginseng.

Advantages of Nutrimax Gold –D protein powder:

- **Gymnema slyvestra “sugar destroyer” is regarded as one of the most powerful herbs for blood sugar control It works by boosting the activity of enzymes that helps cells use glucose or by stimulating the production of insulin.**
- **Fenugreek used in Indian cooking, have been found to lower bloodsugar, increase insulin sensitivity and reduce high cholesterol. The effect may be partly due to the seed’s high fibre content. The seeds also contain an amino acid that appears to boost the release of insulin.**
- **Ginseng slows carbohydrate absorption, increases cells ability to use glucose and increases insulin secretion from the pancreas.**
- **Ginseng and chromium has the ability to modulate carbohydrate metabolism thereby reducing the need to eat sugars and sweets.**
- **Has natural vitamins and herbal supplements and hence it has no side effects to the body.**

- improve physical as well as mental condition, they help to eliminate tiredness and deal with the feelings of exhaustion more easily.
- also contain **powerful antioxidants that fight dangerous free radicals** in the body that can cause serious cell damage.
- Colostrum contains several immune factors (such as immunoglobulin IgA, IgD, IgE, IgG, and IgM) and specific immunity (antibodies) to diseases caused by bacteria, viruses, yeasts and fungus.
- Grape seed extract delays the oxidation of low density lipoproteins, the fats that are responsible for bad cholesterol and also prevents premature ageing in a process that works almost like a natural face-lift.
- Acetyl N- Carnitine increases physical and mental energy with immediate effect because it crosses into the brain much better and quick.
- Co enzyme 10 is a naturally occurring nutrient, believed to have anti-oxidant properties useful in diabetes.
- Has natural vitamins and herbal supplements and hence it has no side effects to the body.
- Contains powerful antioxidants like colostrum, grapeseed extract and Co enzyme Q10 that fight dangerous free radicals in the body.
